Let Your Creativity Flow

Dragonfly quilt instructions:

- Sew (31) 1" half square triangle (hst) units and (12) 2" hst units as follows:
 - Cut 1 strip of light and 1 strip of dark fabric 1 7/8" wide into a total of (16) 1 7/8" squares.
 - Cut 1 strip of light and 1 strip of dark fabric 2 7/8" wide into a total of (6) 2 7/8" squares.
- Pair same size squares right sides together for a total of 31 small pairs and 6 larger pairs.
- Draw a line on the back of the light fabric diagonally from point to point (this will be the cutting line). Draw a seam line a scant 1/2" to each side of the cutting line (these are the seam lines).
- Sew both seam lines on each paired square. Cut units apart on the cutting line and press seam allowance toward the darker fabric. Each small unit will now measure 1 1/2" and each large unit will now measure 2 1/2" square.
- Cut background fabric 15" x 20". Trace images of birdhouse, flowers and dragonflies to fabric with pencil. Color images with white crayon and do color outside of the lines about 1/2". Place tissue over crayon and press with a hot iron.
- When done coloring, press with iron to set colors. Outline images with a fine point black pen (suggestion: Pigma pens at .05).
- Trim background fabric to 13 1/2" x 17 1/2". From lower left corner and upper right corner of fabric, cut out a rectangle 4" wide x 6" tall. Discard rectangles.
- Sew two units of (6) 2 1/2" hst's together 2 across & 3 down, into a rectangle. See picture. Inset into lower left and upper right corners of main fabric.
- Sew (17) 1 1/2" hst's together for left border. Sew to pieced top. Sew (14) 1 1/2" hst's together for top border. Sew to pieced top. Layer, quilt and bind wall hanging.
